## RETROFIT SOLUTIONS

### RETROFITTING YOUR EXISTING CUBICLES TO MEET THE NEW COVID STANDARDS

#### SAFE CUBBIES RETROFIT SOLUTIONS

Retrofit your existing office space to a safe space. Modify existing commercial buildings to improve the sanitary conditions of your business. In addition, retrofitting can be used as an opportune time to freshen the office environment with an updated and contemporary look.

#### WHY RETROFIT YOUR OFFICE SPACE?

Bring your staff back to work with the comfort of knowing that they are working in a safe and healthy environment. By utilizing an existing office configuration, SAFE CUBBIES can retrofit the space to adhere to the new COVID safety standards
